Department of OB/GYN – UT Health San Antonio Maternal Fetal Medicine Specialist/MFM Specialist and Fellowship Director

The Department of Obstetrics and Gynecology in the Joe R. and Teresa Lozano Long School of Medicine at UT Health San Antonio is seeking two Maternal-Fetal Medicine (MFM) or MFM/Genetics Specialists. One individual to lead our MFM fellowship training program and another clinical MFM/Genetics Specialist. Our program was established in 1976 and is currently under continuing accreditation through the Accreditation Council for Graduate Medical Education (ACGME) and approved for one fellow per year.

The MFM Division provides comprehensive obstetrical care, perinatal consultations and outreach, genetic counseling, and prenatal diagnosis for San Antonio and our primary referral basis of South Texas. With our clinical partner, University Health System, our service provides high risk pregnancy coverage for over 3200 deliveries annually at our level IV maternal center, including over 300 maternal transports through our Stork One Maternal Transport Team. This position also provides an excellent opportunity for new clinical and basic research, as well as the development of new clinical care programs.

Responsibilities include care of inpatient and outpatient obstetric patients; education of medical students, residents, and fellows; and participation in the Division's research mission. The successful candidate must be Board-eligible or Board-certified in Obstetrics and Gynecology and in Maternal-Fetal Medicine or Maternal-Fetal Medicine/Genetics, qualifications for a Texas Medical License, and dedication to academic medicine with a commitment to clinical service, education and/or research. Successful applicants will also have excellent communication, administrative, and leadership skills. Academic rank and salary will be based on experience, qualifications, and academic accomplishments. A comprehensive fringe benefit package is available. Additional information can be obtained from Joyce Bogue, Assistant to the Chair-Dr. Randal D. Robinson, at (210) 567-4950 or bogue@uthscsa.edu:

Interested candidates should submit an application and curriculum vitae along with the names of three references through the UT Health candidate portal:
